

I can finally sit down with my family for dinner and not get those dreadful calls. I can read my book uninterrupted, I now have the ability to to do a great many things and not have unwanted people calling me. They are infringing on my time, my privacy, my right to some quiet time in my own home. Please do not weaken, change, or modify the NJ Telephone Consumer Protection Act. If I want to buy something I will call them at a time of MY choosing! THANK YOU.
